1. PURPOSE

Better manage court reservation and give more opportunities to members to reserve a court.

2. POLICY

2.1 Court reservations are for members that want to play private matches or focus on drilling with partners.

2.2 Duration of the reservation session and time to make a reservation are determined by the Board of Director with the General Manager's advice.

2.3 Members and Guests are allowed to play only once a day in a reservation session.

2.4 A group is restricted to their reserved court and will not share with other players from other courts.

2.5 Additional restrictions apply for Primetime reservation sessions as indicated on the schedule, including;

- a. Members can play in only one of those sessions per week and no guests are allowed.
- b. A minimum of 4 and a maximum of 6 members are allowed on a court.

3. PROCEDURE

3.1 Members create an account on Pickle Planner and must be in good standing in order to be approved by the administrator.

3.2 Members use Pickle planner to reserve a court.

3.3 The member making the reservation must enter all full names of members at the time of the reservation, this includes Guest. No place holders permitted. (Refer to the Club's Policy in regard to Guest)

4. RESPONSIBLE

The General manager will be responsible to enforce this Policy
